Conclusion

Father God, I admit that I have rejected you and turned to other things, which could never bring me security or satisfaction. I have been foolish, and I have nothing to offer you. Thank you that you have given Jesus to be my Servant King, to pay the penalty I deserve so I can have forgiveness and eternal life, without cost. I want to accept your invitation. Help me listen to you and learn to be like Jesus, and to call others to accept the invitation too. In Jesus' name. Amen.
