Not fudge

Nor fear

But faith

Prayer: Heavenly Father, I admit that I have tried to live life my own way, have not treated you as God, and I deserve your judgment. Please forgive me. Thank you that you have made it possible for me to be right with you through Jesus' death on the cross, which he died instead of me. Please help me from now on to put my trust in Jesus and to live with him as my saviour and king. Amen.
