##### Why must God speak?

*Psalm 19*

Because we are creatures

Jer. 23:23 "Am I only a God nearby," declares the LORD, "and not a God far away?"

1 Cor 2: 9: "No eye has seen, no ear has heard, no mind has conceived what God has prepared for those who love him"— 10 but God has revealed it to us by his Spirit. The Spirit searches all things, even the deep things of God. 11 For who among men knows the thoughts of a man except the man's spirit within him? In the same way no one knows the thoughts of God except the Spirit of God.

Because we are sinners
